

Washfield Ct.

January 9 1941

Dear Earnest,

Received a letter from
Trips today. He has you on
the card to show against young
Patterson, 4 rds. an opener at
Barre January 23rd. Hope you
are in at least fair condition as
I promised him you would be ready
when he wanted you, and naturally
he wants you to help draw some
crowd from St. J. and he is going
to need all the crowd he can
get to pay off his main bout men

In the main go, it's Lou Ambers
against Irish Eddie Connelly, of
Boston. which is strictly a sucker
bout, but should draw at Barre,
as Connelly has been around a long
time and should know how to
put on a nice looking show, unless
Ambers happens to get some when
he sees the size of the crowd he's
drawing percentage on, and decides
to work shorter hours for less money.
over

at any rate he will be in
a hurry to know if you can
show, and for that matter so
will I, so, will expect to hear
from you one way or another
before Sunday night. This
is Thursday and supposed to
be my weekend in camp but
I may not be there as I've been
at home, sick, all week and
still don't feel so hot so may be
still at home this week/ end.
Anyhow, I'll expect to hear from
you and in the meantime I
would suggest that you start
working your road work up
rather gradually in order not
to get lame and do plenty of
squirrel bag work.

Here's Looking for you
as ever
"Blardy"
